

Application to keep a pet

I/we would like permission to keep a pet(s), as required by the tenancy agreement.

Permission for a cat

Permission for a dog

Breed of dog

Other type of pet

I/we accept full responsibility for all pets kept at my/our property and will ensure that they do not cause a nuisance to anyone in the locality. Should any pets cause any damage, I/we will accept full responsibility to pay the costs of any repair to make good the property.

Tamar's policy

- The resident is responsible for the behaviour of their pet at all times
- A maximum of one cat or dog will be allowed per property (including flats and houses)
- In flats, only small dogs (under 10kg when adult) will be allowed. A list of suitable breeds is available on our website at tamarhs.org/your-home/keeping-a-pet/
- Dogs must not be allowed to foul communal areas
- Dogs must be kept on a lead while in the vicinity of the property or in any communal area
- If you wish to fit a cat flap in your property you will need to seek Tamar's permission first. Cat flaps are not permitted in uPVC doors, communal doors or flat doors unless the door leads straight outside
- Caged animals, such as birds, fish, rodents or reptiles are permitted but are limited to 3 cages or tanks per property

(Please note that in some flats, where Tamar is not the head landlord, pets are not permitted under any circumstances. Please speak to your Housing Officer before getting a pet to check if pets are allowed in your home)
